INSURANCE, PERMITTING & TAXES: Required for all Food and Drink Vendors

Each vendor must maintain Comprehensive General Liability Insurance of at least **one million dollars** (\$1,000,000). Please ask your Insurance Agent to provide a "Certificate of Liability Insurance" naming both Green Built Alliance, PO Box 17026, Asheville, NC 28816 AND Salvage Station, 466 Riverside Drive, Asheville NC 28801 as **Additionally Insured Certificate Holders**. This certificate must be emailed to cari@greenbuilt.org by **Friday, Sept. 14, 2018** or you will not be able to be a vendor at the event.

Exhibitors are responsible for complying with local and state tax regulations. Exhibitors are also responsible for North Carolina licenses and permits, as well as compliance with all food and alcohol regulations. Please send us a copy of relevant permits by **Friday, Sept. 14, 2018**. **In-state vendors** must provide a copy of their **winery special event permit**, while **out-of-state vendors** must provide a copy of their **North Carolina permit**.

Festival producers will make concerted efforts to mitigate the event's environmental impact. To this end, we prefer you serve from kegs into the pouring glasses we provide, rather than distributing glass bottles. A few rules apply: no styrofoam or single-use plastics, items must be recyclable or compostable, and all exhibitors participate in the waste diversion programs.

The vendor agrees to not hold liable any and all affiliates of Green Built Alliance and CiderFest NC for suits, claims, damages and loss or damage of property sustained while participating in CiderFest NC.

I further grant Green Built Alliance and CiderFest NC permission to use any photographs, motion pictures, recording, or any other record of my participation in the festival for any legitimate reasons.
